PRESIDENT'S MESSAGE

This past February 3rd marked our 71st Annual Dinner Dance. It was another outstanding success. The DJ had the dance floor packed, the casino was busy, and the addition of the Photo Booth was a huge favorite.

After the dance I made a few phone calls to get some feedback on the event. Overall everyone enjoyed themselves and raved about how we put on the best event in our industry. I believe it continues to be such a great event due to the participation of not only our members but also the supply houses, factory representatives, and Washington Gas.

Charlotte Hall deserves a big thank you for all her hard work leading up to and during the dance. And special thanks to George Cranford for taking on Master of Ceremonies. A final thank you to all the board members and everyone who stepped up to ensure the evening went well.

The 50/50 raffle winner this year was Dawn Bentz with Northeastern Supply. If you know Dawn then it will not surprise you that she donated a portion of her winnings back to this year's charity, St. Jude's Children's Hospital. Thank you Dawn!

This month's meeting will be sponsored by Washington Winnelson on February 21st. During our business meeting, we will discuss finalizing the website company information. If you have not yet filled out the

survey please do so before the February 22nd deadline. We will also discuss new possible procedures when dealing with the main sewer stoppages. Finally, find out if ‘grey water’ plumbing will be in our future.

John “J.R.” Seymour, 2018 President
